***Please keep me in the loop***

Far too often, you might hesitate to inform me of your desire/need for pastoral care, because you do not want to bother me. On the contrary, you are not bothering me when you inform me of a major illness, yours or a loved one's illness. Because of privacy issues and regulations, staff at hospitals, nursing homes, and other health care facilities will not contact me. You, a family member, or a close friend must contact me, if you have a pastoral need.

**\*\*For security reasons, the door, which leads to hallway where the offices are located, must be closed when no authorized person is in the building. If you are the last person in the building, please close the door. The reason is that if an unauthorized person enters the church through the outside door that leads directly to the offices, he or she would not gain access to the parish hall or worship space upstairs. Thank you for helping us keep the church safe for all involved in the life of our beloved parish.**
